

3rd CopySouth Workshop: International Conference on Copyright Issues

3º Workshop CopySouth: Conferência Internacional sobre Direito Autoral

3º Workshop CopySouth: Conferencia Internacional sobre Derecho de Autor

TRAVEL POOL

The CopySouth Research Group (CSRG) has set aside a small fund of money to assist with the travel expenses of those who wish to attend our Rio conference.

1) Who is eligible to apply for funding?

These funds will be available only to people who are citizens of countries in South America. The money is intended for people who have a demonstrated track record of research and/activism on copyright-related issues, but who lack the funds to attend the conference.

2) What expenses will be covered?

The money will be used to refund a portion of your travel costs to and from Rio to attend the CSRG conference. Because funds are limited and as we wish to fund as many people as possible, we will NOT be able to provide funds for meals or hotel.

3) When will the money be paid?

If you are selected to receive funds from the travel pool, you will receive this money in Brazilian Reais at the conference on **TUESDAY, 29 JUNE**. (No other currencies will be available.) To receive funds, you MUST provide original travel receipts.

4) How can you apply?

Send an e-mail to contact@copysouth.org. Put the words "Travel pool" in the subject line of your e-mail. You can apply in Portuguese, Spanish or English.

5) What should you include in my application?

- a) Tell us your full details: name, age, gender, citizenship, the languages that you speak, full postal address, e-mail address or addresses.
- b) In less than 150 words, tell us who you are, give a few relevant details about your background, and state why you want to attend the CopySouth conference in Rio.
- d) Provide an estimate of your total transportation costs to go to Rio and to return home, as well as the mode of travel you have chosen.

Note: Do not include attachments; send your application as a plain text e-mail.

6) What is the deadline for applications?

The deadline for applications is **SUNDAY, 13 JUNE at 12:00 noon** (Rio time.) Late applications will NOT be accepted.

7) When will applicants be informed if they are successful or unsuccessful in their application?

All applicants, those who are successful and unsuccessful, will be informed by e-mail by **SATURDAY, 19 JUNE**. It will be your responsibility to make your own travel arrangements, and, again, to collect original travel receipts and provide us with them on 29 June.
